## How to Celebrate *in Style* by Emma Willett

Now more than ever people want an event that is uniquely their own, one that reflects their individual style. In California, a gold-mine of resources can be found at Archive Rentals. Their designers have curated furniture, tabletop, lighting and accessories that are sure to fuel your imagination. Feel like mixing it up? With their diverse inventory, you can mix vintage with modern, polished with rustic, Mid Century Modern with boho chic. The possibilities are endless. Or, if you prefer to hand it over to the experts, their award-winning design team is in-house and ready to create your vision, so you can relax and enjoy the party!
